

#### Fig. 10 and 13. INSTALL GUN LOCK

See Figures 10 and 13 for gun lock mounting samples. Simply mount your gun lock in the threaded holes provided in the flanges of the mounting base and/or follow gun lock manufacturer's installation instructions.

#### Fig. 11 and 12. BUTT PLATE INSTALLATION

Decide if you want your weapon to be parallel (Fig. 11.) or perpendicular (Fig. 12.) to the roof.  
Use two 5/16-18 button head screws in the package to install the L shape Butt Plate support (SC-9903) on a base still not mounted on the roll bar. Install a Butt Plate on the L bracket in the desired (vertical or horizontal) configuration.

Place your actual weapon in the already installed gun lock.  
Position the mounting base-L bracket-Butt Plate assembly at the roll bar so the weapon fits nice in the Butt Plate with a little (1/8") play. Mark the centerline of the mounting base on the foam rubber cushion of the roll bar. Go back to the rear passenger/prisoner compartment and install this second mounting base by repeating steps from Fig. 3.

#### Fig. 14, 15 and 16. MUZZLE PLUG/CUP INSTALLATION

Same as above for Butt Plate installation except you will have to use a different L bracket (SC-9902).

Also see Fig. 15, for Muzzle Cup assembly.

We reserve the right to change our design and prices any time without notice.

## IMPORTANT

Should you have any problem installing or using Santa Cruz products, we are here to help you every step of the way.

Just give us a call at our toll free number (800) 847-5428 and we will be glad to help you with the installation, special part request or any other way you might need assistance.

## OTHER PRODUCTS AVAILABLE FROM SANTA CRUZ

### Gunlocks:

- o Model SC-1 for pump shotguns
- o Model SC-1/AR for automatic shotguns
- o Model SC-5 Universal for any long gun

### Mounting Brackets:

- o Model SC-915/P Partition wall bracket
- o Model SC-931 Muzzle Down Bracket
- o Model SC-916 Wall Bracket

### Accessories:

- o Solenoid coil (SC-1909)
- o Spare keys (specify style or number)
- o Adjustable steel Butt Plate (SC-1900)
- o Solid, one piece aluminum Butt Plate (SC-1901)
- o Timer 10 sec. (SC-7009)
- o Push Button switch (SC-1902)
- o Mounting hinge (SC-9302)
- o L shape Butt Plate support (SC-9903)
- o L shape Muzzle Plug/Muzzle Cup support (SC-9902)

## Overhead Brackets

**SC-934-1**  
**SC-934-1B**  
**SC-934-5**  
**SC-934-AR**

- o SC-934-1 for pump shotguns
- o SC-934-1B for most any weapons
- o SC-934-5 for any weapon
- o SC-934-AR for a limited selection of rifles

### Installation

is limited to the roll bar of a partition wall.  
We selected an AR-15 for demonstration but the same mounting principles apply to all weapons (see pictures on the other side).

#### Fig. 1. MARK GUN LOCK CENTERLINE

Hold the actual weapon together with a gun lock at your desired mounting location and decide where you want the gun lock to grab the weapon. Have a felt pen ready to mark the gun lock centerline on the foam cushion of the rollbar.

#### Fig. 2. TAKE MEASUREMENTS

Depending on your setup - muzzle or butt -, measure the distance from the center line to the end of the muzzle or butt stock.

#### Fig. 3. CUT FOAM COVER ON BACK OF ROLLBAR

Push a sharp pencil/screwdriver through the foam at your mark and make a vertical cut in the foam at that point in the back.

#### Fig. 4. INSTALL U-BOLT

Install the 2 plastic points on the legs of the U-bolt and push it through from the back so the whole U-bolt disappears under the foam cover.

#### Fig. 5. DISCARD PLASTIC TIPS

Remove and discard plastic tips from U-bolt legs.

#### Fig. 6. INSTALL WASHERS AND NUT

Install flat washer, lockwasher and nut on the TOP leg of the U-bolt.

#### Fig. 7-8-9. INSTALL MOUNTING BASE

Hook up top of mounting base under nut and washers you just installed on the top leg of the U-bolt. Fold mounting base down so the bottom leg of the U-bolt comes through the hole in the base and install washers and nut on the bottom leg of the U-bolt. Pay attention to the alignment of the front face of the base. Move it up and down to your desired angle then tighten both nuts.

**LIMITED WARRANTY**  
Santa Cruz Gunlocks, LLC, (SCG) warrants this product to be free of defects in material and workmanship under normal use for the life of the car it was originally installed in new.

SCG makes no other express or implied warranties of the product. The purchaser's sole and exclusive remedy in the unlikely event of breach of warranty is expressly limited to, at SCG's election, repair, refurbishment, or replacement of the defective product with the same version or an upgrade or, if replacement is not possible, a refund of the purchase price.

Shipping cost to SCG must be paid by the user and SCG will pay return shipping charges. Repair parts and replacement products will be provided on an exchange basis only and will be either reconditioned or new. This limited warranty does not cover damage to the product resulting from accident, disaster, misuse, abuse, negligence, improper installation or modification or repair of the product other than by SCG. Limited warranty service may be obtained by returning the product to SCG at the address below. THIS LIMITED WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. Some states do not allow the exclusion of implied warranties, so their exclusion above may not apply to you.

**LIMITATION OF LIABILITY**  
NEITHER SCG NOR ITS AUTHORIZED DEALER(S) SHALL BE LIABLE FOR ANY DIRECT, INDIRECT, INCIDENTAL, SPECIAL OR CONSEQUENTIAL DAMAGES, WHETHER IN AN ACTION IN CONTRACT OR TORT (INCLUDING NEGLIGENCE AND STRICT LIABILITY), SUCH AS, BUT NOT LIMITED TO, LOSS OF ANTICIPATED PROFITS OR BENEFITS RESULTING FROM THE USE OR NOT USE OF THE PRODUCT OR ANY BREACH OF ANY WARRANTY, EVEN IF SCG OR ITS AUTHORIZED REPRESENTATIVE HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. IN NO EVENT WILL SCG OR ITS AUTHORIZED REPRESENTATIVES' LIABILITY EXCEED THE PRICE PAID FOR THE PRODUCT.
