

Model ECB100
Upper Body & Shoulder

Part ID#:1010573, 1010574,
 1010572, 1010575

ExoTech® Upper Body & Shoulder Protection

Functional Benefits	The ExoTech® Upper Body/Shoulder system offers a polyethylene exoskeleton for protection from blunt force trauma. EVA foam inner padding cushions the body and soft-brushed tricot and mesh lines the inside. Each piece of the system fastens and adjusts with durable connector straps with hook and loop closure, allowing a custom fit for a wide variety of body types.
