

# MODEL TSK326 TASK HEAVY KNUCKLE GLOVES

## HEAVY-DUTY FEATURES FOR RUGGED APPLICATIONS

### TSK326 TASK HEAVY KNUCKLE GLOVE

Designed specifically for law enforcement and purpose-built for heavy-duty applications, the Task Heavy Knuckle has a diamond grip material on the Z-pattern palm and fingertips for extra grip and protection. The knuckle is made of Thermoplastic Rubber (TPR) for shock-absorption, while the back of the hand is constructed of lightweight, breathable stretch fabric.

The Task Heavy Knuckle incorporates the five innovative features of the Task Specific line including the Ergo-Cut™ Floating Thumb pattern, Cut-Ring index finger, articulated strap, all-soft flexible cuff, and touchscreen technology. Building on the Task Medium model, the Task Heavy Knuckle is for the user who needs a more rugged and protective glove for the job at hand.

PATENTED

### FEATURES
