

Rothco Medium Transport Pack

Rothco’s Medium Transport Pack has been designed to fit all your military and tactical needs. The heavy weight denier polyester material ensures a durable, long-lasting pack, which can brave the elements. The extensive storage options make the pack ideal for organizing your gear or filling it with supplies for your Bug Out Bag; the backpack features one large compartment with a zippered pouch and mesh pocket, 3 additional outside zipper pockets and storage compartment; and if that was not enough storage, the Medium Transport Pack is also MOLLE (Modular Lightweight Load-carrying Equipment) compatible, which will allow you to attach additional MOLLE compatible pouches and accessories. The pack is also hydration bladder compatible and features a water repellent lining. For added comfort and long range usage, the tactical backpack has been equipped with a padded back and shoulder straps and breathable mesh backing. Additional features of Rothco’s Medium Transport Pack include top & side adjustable web straps and a top carry handle. Be sure to also check out our line of camouflage Transport Packs as well. Rothco's Medium Transport Backpack measures 17”x10”x9”.
