

**STREAMLIGHT Buckmasters® PackMate®****MARKET****APPLICATIONS:** Sporting Goods, Consumer.**DESCRIPTION:**

Designed specifically to meet the Outdoorsman's lighting needs, the lithium powered PackMate combines Streamlight's new C4 Premium LED Technology with an extended runtime mode and Night Vision Green LEDs that will not spook game. Streamlight's mode-select switch allows the user to choose from (4) lighting options. The C4 Premium LED Technology, 2 to 3 times the output of previous power LEDs, can be run in High mode for maximum brightness and beam penetration or in Low mode for optimum runtime. The PackMate uses 3 Ultra-Bright green LEDs. The PackMate offers a third and fourth lighting option. 1 green LED provides an optimum night vision situation or all (3) Nichia Ultra-Bright green LEDs are on at the same time. The light is turned on or off using the tailcap switch while the rotary mode-select switch is used to pick the light function. The tailcap switch has been designed to allow the user to use the light to signal in either C4 or Ultra-Bright Green LED mode. The PackMate's computer-milled knurling provides maximum grip with or without gloves and in wet or dry conditions. The PackMate is offered in two camouflage patterns; REALTREE HARDWOODS® Green High Definition® (HD) camouflage and REALTREE HARDWOODS® Blaze. The PackMate comes packaged with batteries and high-strength wrist lanyard.

CASE MATERIAL:

Corrosion resistant and O-ring sealed for all extreme weather operation. This light is manufactured using aircraft grade aluminum. The PackMate is coated with Mil Spec Type II anodize for superior wear and abrasion resistance.

DIMENSIONS:

Length: 5.43 in (13.79 cm)

Diameter: Major Diameter: 1.33 in. (3.38 cm)

Body Diameter: 0.98 in. (2.49 cm)

WEIGHT:

5.44 oz (152 grams)*

LENS:

Unbreakable polycarbonate lens.

LIGHT SOURCE:

C4 Premium LED Technology, impervious to shock with a 50,000 hour lifetime.
3 Nichia Ultra-Bright Green LEDs, 100,000 hour lifetime

LIGHT OUTPUT:

C4 Premium LED Technology – High: 6000 candela peak beam intensity and 125 lumens measured system output.

C4 Premium LED Technology – Low: 1000 candela peak beam intensity and 20 lumens measured system output.

LED Rating – High (3 Nichia Ultra-Bright Green): 80 candela peak beam intensity and
7.5 lumens measured system output.

LED Rating – Low (1 Nichia Ultra-Bright Green): 40 candela peak beam intensity and
4 lumens measured system output.

ON/OFF:

Tailcap switch: On/Off and Signal
Mode Select Options: (3) Ultra-Bright Green LEDs / (1) Ultra-Bright Green LED /
C4 LED – High / C4 LED – Low

RUN TIME:

C4 Premium LED Technology - High: Up to 2.75 continuous hours to 10% lumen output level.

C4 Premium LED Technology – Low: Up to 15 continuous hours to 10% lumen output level.

3 Nichia Ultra-Bright Green LEDs – High: Up to 38 continuous hours to 10% lumen output level.

1 Nichia Ultra-Bright Green LED – Low: Up to 52 continuous hours to 10% lumen output level.

FEATURES:

Micro Faceted Reflector for Smooth Focus, O Ring sealed, weather resistant, heavy duty drop-tested construction. Mode Select Switch, On/Off tailcap switch. High strength wrist lanyard.

BATTERY:

Two 3 Volt CR123A Lithium batteries (10-year shelf life).

APPROVALS:

Most models meet applicable European Community Directives.

WARRANTY:

Limited lifetime warranty.

**OPTIONAL****ACCESSORIES:**

N/A
